Comments. According to periodic reports, the Hq Third Y's lecz army is located in the restricted area on Gruenstrasse. Courses for officers have been conducted there continually. It is believed that the 300 officers mentioned in the present report attended these courses. Recause of these courses, another source believed an officer school was located in the restricted area. 25X1A

(2) Another source reported that a ration supply do not for boviet dependents was in the former plane factory. 25X1A

(3) It is believed that only Camo II, also called Semmon Camp, of the three former PH base camps (Stalag) I through III is still being used. report of 9 October 1950 by an untested source stated that the officers attending tricted area on Gruenstrasse were billeted there. See 25X1A

25X1C (4)

25X1A

was first reported by an untested source on 18 December 1950 as belonging to the tank instructor's section at the NQ Third dds Lecz army. is assigned to the 305th Gds How Arty Regt of the 6th Gds Tank Div in Wittenberg, which was

confirmed there until 8 October 1.750.

(5) Another source also reported that a Poviet hospital was located in the former vocational school building on Brandenburgerstrasse.

(6) A Soviet bakery was previously reported to be located on Holzstrasse, near 25X1A the railroad station. Nost of the reported from the installations in Luckenwalde belonged to headquarters units of the Third 25X1C Gds Mecz Army and some to component units of both the 14th Gds Mecz Div and the 9th Mecz Div. The vehicles of the two divisions are believed to have been supply trucks.
